MetLife beneficiaries in their own words

“I think it’s a good program – the whole thing ... People usually just go out and try to take care of themselves, maybe have friends of course or family, but it’s not the same as having somebody outside of your friends and family leading you through different things.”

“You’ve been able to answer and assist with everything that was in question for me during and after (the loss) ... Thank you. I appreciate everything. You’ve been a lifesaver and wealth of knowledge and support, so thank you.”

“I can’t thank you enough – this is just so helpful and so wonderful. I can’t tell you how much I appreciate Empathy. It’s been a godsend.”
